

**Please use the following talking points to discuss your AGS credentials at the sales counter:**

**AGS Membership:**

- AGS Jewelers are among the finest in the world and are considered the template for professionalism in the jewelry industry due to the standards and requirements for membership.

**Earning a title:**

- To earn an AGS credential, also known as a title, we undergo extensive gemological training and testing on best business practices.
- As a professional credentialed jeweler, I studied gemology at the Gemological Institute of America (GIA), the foremost authority on gemological education. AGS and GIA share a rich history and were founded to protect the consumer.

**Maintaining a Title:**

- As an AGS titleholder, you can trust that I am committed to providing you with honest and reliable service and expertise because I am held accountable via an annual exam.
- I am required to stay up to date on the latest trends and information to pass my yearly recertification exam.
